**MADE FOR INSTALLMENT SHOPS**

Everything from the first quotation to the **last installment**

Most shops run installments on registers, diaries and memory. Installment POS keeps every sale, plan, guarantor, payment and visit in one place, so you always know who owes what and when.

AT THE COUNTER**Sell**

Fast billing for walk-in cash customers and full installment plans.

- Cash, credit and installment in one screen
- Quotation with full schedule before the sale
- IMEI, chassis and engine numbers
- Guarantors with CNIC and photos
- Receipts and agreement in Urdu or English

IN THE FIELD**Recover**

Know who is late today and send the right person to collect.

- Overdue, due today and next 7 days
- WhatsApp reminders in one tap
- Recovery officer app with area routes
- Visits with payment, photo and GPS
- Customer rating: good to defaulter

FOR THE OWNER**Control**

See the whole business, across staff and branches.

- PIN logins for owner, manager, cashier, officer
- Discount limits with manager approval
- Daily cash closing, short and over
- Profit earned by month
- Multiple branches under one shop

WHO IT'S FOR

Mobile phone shops

Electronics & appliances

Motorcycle dealers

Furniture shops

Solar & home equipment

Any shop selling on qist

Keeps working when the internet goes down

Everything is saved on the device first. When the internet comes back, sales and payments sync to the cloud, so the shop PC, the owner's phone and the recovery officer all see the same accounts.

FAST AT THE COUNTER

Bill with the keyboard, not the mouse

Every main job has a key, shown right on its button. F-keys like the desktop POS software your staff already know, and Ctrl / Alt shortcuts as well.

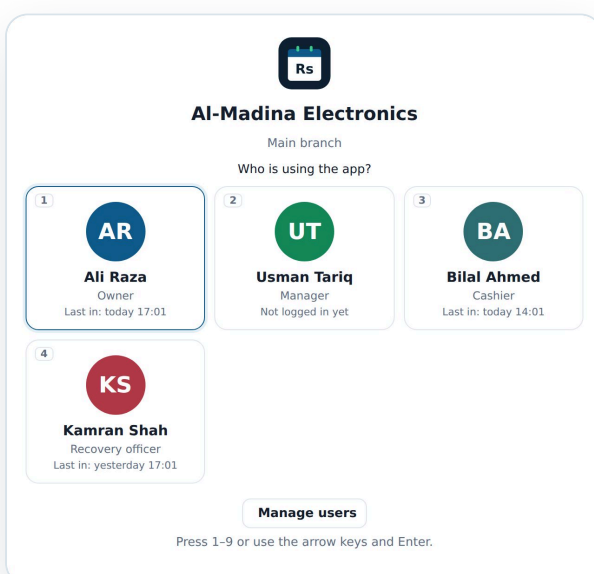

Keys on every button

F2 search or scan · F3 customer · F6 / F7 / F8 cash, credit, installment · F4 quotation · F10 complete sale.

Your own layout

The owner can switch any shortcut on or off, or change and exchange keys.

STAFF LOGIN

Everyone signs in with their own PIN

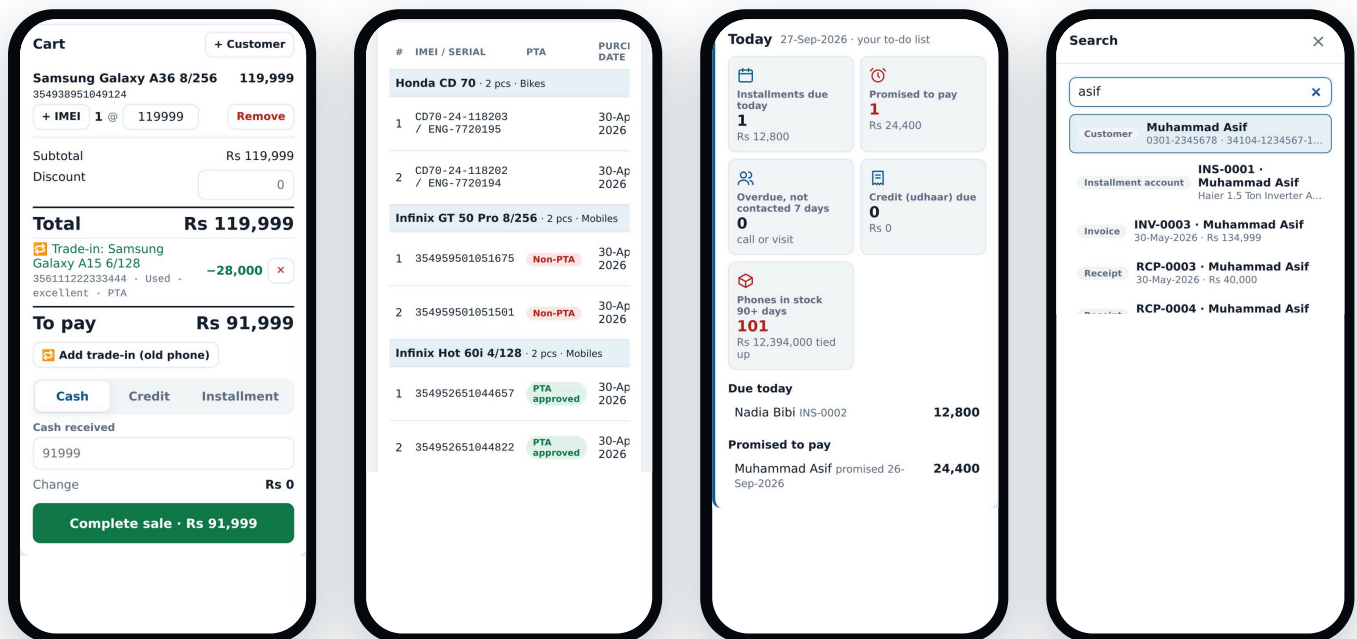

- ✓ A tile for each staff member with photo, role and last login time
- ✓ Owner, manager, cashier and recovery officer each see only their own screens
- ✓ Every sale, payment and discount records who did it
- ✓ Owner PIN needed to add staff, reset a PIN or switch a user off
- ✓ Locks itself after a few minutes with no use

NEW IN THIS VERSION

Made for mobile shops

Exchange offers, PTA status and IMEI-wise stock, a daily to-do list, and one search box for everything.

**Trade-in**

Old phone as part payment. Its value comes off the bill and it goes into stock with its IMEI.

IMEI stock + PTA

Present stock by model, PTA status and days in stock. Preview and print on A4.

Today panel

Due today, promised to pay, overdue not contacted and old stock.

Search everything

Name, phone, CNIC, IMEI, invoice or receipt in one box.

- ✓ **Products drop down as you type** in New Sale, with price and stock
- ✓ **PTA approved / Non-PTA / pending** on every IMEI, receipt and report
- ✓ **Trade-in counts towards the advance** on installment sales
- ✓ **Old stock alert:** phones in stock more than 90 days
- ✓ **Updates itself** on every phone and PC, no reinstall
